Do you have an Early Years Statement (VE-indicatie)?

If your toddler has a VE indication, there are 2 options:

- You are entitled to childcare allowance. You get 8 hours for free from the municipality. You can apply for childcare allowance for the other 8 hours.
- You are not entitled to childcare allowance. You get 8 hours for free from the municipality. You pay an income-related contribution for the other 8 hours, see previous table.
