

# Rate for after-school care 2020.

As of 1 January 2020, Korein applies the following rates<sup>12</sup>. These rates do not take account of the Tax and Customs Administration's reimbursement. As a result, the amount you ultimately pay, is lower than the stated monthly rate. The national standard<sup>1</sup> for after-school care is € 7,02.

9. The prices of these products include 9% VAT.
10. You pay for 49 weeks of hot meal service instead of 52 weeks.
11. Holiday childcare is provided in whole days (from 07.30 hrs to 18.30 hrs) or in half-days. A morning block lasts from 07.30 to 13.00 hours and an afternoon block lasts from 13.00 to 18.30 hours.
12. The monthly amount on your invoice can differ up to € 0,10 in price from the gross monthly price on the rates overview.

## Supplementary after-school childcare rates 2020.

1. The national standard is the standard amount used to calculate the childcare allowance of the Tax and Customs Administration.
2. The following school holidays fall under the 12 weeks of school holidays: 1 week autumn half-term, 2 weeks Christmas holiday, 1 week spring half-term, 2 weeks May break, 6 week summer holiday.
3. The opening hours of our out-of-school childcare (pre-school care and after-school care) are in line with the school hours, the school holiday weeks and the school days off of primary schools.
4. The 40 weeks package is invoiced in 11 instalments. The number of hours and the price per month therefore do not correspond to the data on the invoice.
5. We offer childcare from 07.30 hours. Our staff take the children to school. The number of hours per month may vary depending on the starting time of the primary school.
6. The offer is subject to availability at the relevant Korean location.
7. You can apply for extra childcare at your Korean location.
8. You choose one package for all the days that you use childcare.
