## Supplementary childcare rates 2021.

1. The national standard is the standard amount used to calculate the childcare allowance of the Tax and Customs Administration.
2. Daily childcare is provided in whole days (from 07.30 to 06.30 hours) or in half-days. A morning block lasts from 07.30 to 13.00 hours and an afternoon block lasts from 13.00 to 18.30 hours.
3. The offer is subject to availability at the relevant Korein location.
4. Early childcare is from 11.00 to 18.30 hours and extended childcare is from 07.30 to 15.00 hours.
5. The following school holidays fall under the 12 weeks of school holidays: 1 week autumn half-term, 2 weeks Christmas holiday, 1 week spring half-term, 2 weeks May break, 6 week summer holiday.
6. The 40 weeks package is invoiced in 11 instalments. The number of hours and the price per month therefore do not correspond to the data on the invoice. In August you will not receive an invoice from us.
7. You can apply for extra childcare at your Korein location.
8. You choose one package for all the days that you use childcare.
9. The prices of these products include 9% VAT.
10. You pay for 49 weeks of hot meal service instead of 52 weeks.
11. The monthly amount on your invoice can differ up to € 0.10 in price from the gross monthly price on the rates overview.
